IF SO—REMEMBER TO:

COMPLETE DOT FORM 1700.1 as shown below for Additions, Changes or Deletions to this Directory. Your Telephone Directory should reflect any changes in your status. Please keep it current. The information provided by the organizations listed herein is only as accurate as the information furnished.

CHANGES

Alphabetical Directory

While every effort is made to improve each issue of the telephone directory and to eliminate all errors, the Publishing and Graphics Division, M–48, cannot assume responsibility for errors in listings or omissions resulting from submission of incorrect data.

EACH ADMINISTRATION IS RESPONSIBLE FOR THE ACCURACY, COMPLETENESS AND TIMELINESS OF ITS OWN DATA.

After you have had an opportunity to validate your own listing in this directory, submit all changes, additions, and deletions to your Telephone Directory Representative for your administration, (found in the Directory of Services), by completing DOT Form 1700.1 as shown below, so that such listing will be entered correctly in the next issue.

To lessen the possibility of errors, it is always helpful if you report any changes in the present telephone listing as soon as their need becomes known. This will avoid the possibility of waiting too near the closing date, and your not getting the necessary change information in the next directory issue.

DOT Form 1700.1 includes a box headed "Social Security Number." Public Law 93-579 (Privacy Act of 1974) includes specific requirements pertaining to requests for individuals to disclose their social security numbers.

Disclosure by you of your Social Security number is voluntary. It is used in the process of producing the DOT Telephone Directory and will not be published or disclosed. Failure to provide your Social Security number may result in inability to print your name in the Telephone Directory. Solicitation of the Social Security number is authorized under the provision of Executive Order 9397, dated November 22, 1943.
